The Secrets of a Radiant Woman of Faith
Matthew 6:16 says...
"Let your light so shine before men, that they may see your good works, and glorify your Father which is in Heaven."

We learn from the above verse that we are supposed to shine for Christ, but how can we do that? What does a radiant (shining) woman of faith look like?

Last year I spend a lot of time learning about the little word "joy." And let me tell you... radiance and joy go hand-in-hand! Through the things I learned last year (and continue to learn everyday!) I have discovered some "secrets" to becoming a radiant woman of faith. I can't wait to share them with you!
Read on my lovely friend...

SECRET #1: SHE HAS A VIBRANT RELATIONSHIP WITH JESUS CHRIST

A radiant woman of faith KNOWS Jesus personally and walks with Him each day! She is in God's Word (the Bible) and is actively reading it and applying it to her life. She talks to Him through prayer and finds pleasure in reading and doing His Word. True radiance must start with knowing Christ and walking with Him.

How to do it:

1) Know Him as your personal Savior (see note at the end)
2) Spend time with Him each day, reading the Bible and praying
SECRET #2: SHE IS CONFIDENT IN CHRIST

Confidence. Everybody wants it, but very few people have it. A woman of faith must be confident IN CHRIST. She must realize her confidence is found in the Lord {Proverbs 3:26} and cannot be based on her personality, her beauty, or her accomplishments -because all of those things can change and fail. Some days it can be hard to rely on Christ to be our confidence. However, we can never forget that we can do all things through Christ who strengthens us! {Philippians 4:13}

How to get it:

1) Ask Him to help us put ALL of our trust in Him and not rely on our own strength
2) Remember that we are His and we are COMPLETE in Him {Colossians 2:10}

SECRET #3: SHE IS FOCUSED ON OTHERS

A radiant woman of faith is more focused on others than herself. I'll be honest... this is a tough one! It's so easy to think more about yourself than others, but in order to shine for Christ, you really have to forget about "you." A radiant woman is looking for ways to brighten someone else's day. She is also looking for ways to share Christ with others

How to do it:

1) Ask the lord to help you think of other more and yourself less
2) Actively look for ways to help others and share Christ with them
There you have it

There are a few other things that increase a young woman's radiance, but those three are those most important. When a young woman has a personal relationship with Christ, is confident in Him, and thinks of others more than herself... she will be radiant. She will be joyful. She will shine for Christ.
